THE TIFFANY'S DIFFERENCE

WEDDING COORDINATION TEAM

A Wedding Coordinator will meet with you and be your personal guide for every detail and aspect of your day. We will discuss the logistics of your day, such as meal selections, beverages, inclusions, table layouts and order of the day examples. We will assist you before your ceremony, cue music and ensure your day goes off without a hitch.

REHEARSAL

We are pleased to offer you a ceremony rehearsal and time to drop-off all décor items. We will also complete a thorough final check of menus and running of the day. Available for our 6-hour & 8-hour collections only.

EXCLUSIVITY

When you book your wedding at Tiffany's Maleny, you receive full and exclusive access to our property during your hosted time frame.

MAÎTRE D & WAITSTAFF

Working alongside your MC, the Maître D will ensure the smooth-running of your evening schedule, and our friendly waitstaff will take care of your every need.

More than the view.

Tiffany's Diamonds have been built into many of our Collections, as an inclusion. Please refer to your Contract and chosen Collection page as to the amount of Tiffany's Diamonds available to you.

One Tiffany's Diamond is equal to one dollar and can be used towards any items featuring the Diamond icon pricing in the Shoppe Catalogue. These will be allocated on your final invoice.

A maximum of 500 Tiffany's Diamonds can be used towards flowers, a bar tab and/or a champagne tower.

If you would like any items over and above your Tiffany's Diamonds or inclusions, these will be calculated and included for you on your final invoice. Floral items will be invoiced separately and must be ordered in advance by obtaining a quotation directly through our Floral Design Department at flowers@tiffanysmaleny.com.au.

Please note, this is a live document that is updated with new items on occasion, and pricing may change without notice at Tiffany's discretion.
The prices that are current at time of final invoicing will apply.
